## Log Stairways

### **Kiln-Dried Pine Stairways \$194 per Tread:**

Includes Assembly Instructions, Assembly Hardware & Wood Plugs where needed.

- Mortise & Tenon Half Log Stringers with Half Log or Timber Treads
- Dual Cope Full Log Stringers with Half Log Treads
- Timber Style Mortise & Tenon with Timber or Half Log Treads

Top and bottom stringers cut on the angles.  
Pilot holes drilled for the mortise & tenon style

Optional cut to remove 2" or 3" from radius of half round log stringer for a planed flat fit to the wall. The 3" cut requires the stringer be bolted to the wall for maximum strength and should not be free floating.

Optional Birds Mouth cut to fit over landing/floor opening \$150 per stairway.

### **Spiral Stairway \$438 per Tread:**

Includes the Complete Stairway with Railing Posts and Laminated Railing and All Assembly Hardware

Dimension of Stairway Center Post is 11" Nominal

Treads will be a maximum of 16" wide

All Dimensions will meet Building Code Specifications

**There is a 6 to 8 Week Lead Time**

### **Component Material:**

- Half Log Tread, No Tenon, Surface Planed (12" x 48"): \$67.00 each  
(Add \$10 per tread for tenons)
- 4" x 12" x 48" Rough Sawn Tread: \$44.00 each
- 3-3/4" x 12" x 16' (max) Timber (S2S): \$15 per foot - (S4S – 20% Up charge)
